AMBULANCE FETE
A BIG SUCCESS

AIRDOME CROWDED AND LARGE PROCEEDS FOR THIS GOOD CAUSE.

All Tonopah turned out last night to the ambulance fete and helped make local history in one great demonstration of the spirit of patriotism. The Airdome was crowded from the time of the children's march at 8 o'clock until after 12, when the dancing stopped. Tonopah may well be proud of the spirit shown, and, as always, when the cry for help comes, her citizens were ready and eager to aid. Our ambulance is now assured. There has been no time yet for exact returns from the various booths, but a rough estimate shows that over \$1,900 was taken in cash. After all expenses are deducted from this sum it is certain that enough will remain to purchase the ambulance at once. So, within a very short time, the ambulance from Tonopah will be on the firing line carrying to the wounded the wonderful spirit of helpfulness and patriotism shown last night.

Everybody got together, everybody boosted and every helped to the limit of their power and the resulting success more than repays for all the time and labor expended. Several of the punch boards, on which really valuable things still remain, will be run again tonight, and also the refreshment stands.

AMUSEMENTS

BESSIE BARRISCALE IN DELIGHTFUL COMEDY.

A pretty young newspaper woman who declares ruthless warfare on the members of the other sex is the part played by Bessie Barriscale in the new Triangle play, "Hater of Men," at the Butler this evening.

She starts out by severing her betrothal relations with young Jack Gilbert, also a newspaper writer, because he pays too much attention to the chorus girl witnesses in a divorce trial. She then goes in for the Bohemian bright life, but that pulls.

The final pitched battle with her enemy—man—occurs one night just after she has prepared an old-fashioned dinner in her apartment. Of course, she meets defeat, but only through the treacherous maneuvers of her one loyal friend, played by Charles K. French. He places the enemy in ambush behind the dining room screen and thus precipitates the pretty man hater's Waterloo.

In addition to the features, an other Triangle comedy, "Dad's Down Fall," will be shown, completing a program which is full of fun and laughter from start to finish. If you have the dumps, are fretting about the price of coal this winter, or are afraid you are going to lose your girl, come to the Butler and forget it.

Tomorrow, the most popular little star of them all, Marguerite Clark, in "The Valentine Girl," and another one of those two-reel Keystone comedies. Remember "The Fighting Trail" is coming. Read the story in The Bonanza every week and see the picture the next day.
